

Trunch Parish Council and Trunch Village Society are working together to look at ways of improving the playing field to increase usage and to make it as attractive as possible to residents. We may **potentially** be able to make some **limited** improvements/changes and want to find out from people living in Trunch what you think.

Please take a few minutes to complete this survey and have your say. We will be reviewing all responses and will cost out the most popular to see what we could afford. Results from the survey will be shown on the Parish Council and TVS notice boards, and presented at the Village Meeting in May 2024.

We want to hear from as many residents of Trunch as possible – from all age ranges.

Please either complete the survey questionnaire online, using the QR code below, or drop off your completed survey at the Trunch Crown (in the porch area), or Village Hall (when open, in the lobby). Deadline for response: 21 April 2024.

All information will be treated in confidence and only be used to inform this consultation. Any data provided will be held securely for two months before being destroyed.

Q5 We asked for suggestions in the February Mardle for what kind of improvements/additions you would like to see and had a few responses which we have added to. Please review the following list and tick any that you feel would improve the playing field.

- Boule/pétanque court
- Replacement bench by children's playpark
- Picnic table or tables near the playpark
- Picnic table or tables near to Blooms Turn entrance
- 5-aside (moveable) goals to replace the goals with nets
- Replace/upgrade large swings
- Fenced-off dog area
- Other – please write \_\_\_\_\_

Any comments on any of these suggestions? Please write.

Q5 The playing field is a valuable community asset – do you have any other suggestions to increase its use whilst maintaining it as an open public space? Please write.

Thank you for your time.
